Moraga Woodland Suit vs. Builder Nearing Finish

Litigation against Charles G. Scurich of San Francisco by Moraga Woodlands Association, seeking to prevent him from constructing what is described as a substandard home in the area, is now in the brief-filing process and should "come to a head" in a couple of weeks, Attorney William H. Brailsford said today.

Brailsford, representing Moraga Woodlands Association, reported that the case was tried in Superior Court about a month ago, and that each side was given 15 days to file briefs plus 10 days for reply.

Scurich is represented by Peart, Barraty and Hazard of San Francisco.

"THE MAIN POINT at issue," Brailsford said, "is whether Scurich can violate the deed restrictions, flout the association and build a 790-square-foot home instead of a 1,000-square-foot residence, which is our minimum standard."

Brailsford said he had filed his opening brief a couple of weeks ago, and that Scurich's brief was expected to be filed in the next few days.

A counter-suit for $50,000 damages filed by Scurich last December was tossed out when the court approved the association's demurrer.

AT THE TRIAL, Scurich maintained he was planning to build a $40,000 home with a swimming pool and that the place being constructed was intended to be a guest house.

James Lindsay, past president of Moraga Woodlands, testified for the association.

In a recent bulletin to members, Association President William P. Wood stated:

"The case against Mr. Scurich is of utmost importance to a lot of us; for, if we should lose this case, it would mean the end of zoning restrictions, with a resultant decrease in the property values in our community."

'Orinda Overpass Would Alleviate Highway Jam'

Left turnouts at a number of intersections along Mt. Diablo Boulevard between Orinda and Walnut Creek are the No. 1 project for the Diablo Highway Improvement Federation "in terms of what can be accomplished in the near future," Lloyd Holton, federation chairman, stated today.

But the federation's No. 1 long-range project is an overpass at Orinda Crossroads, Holton said.

BOTH these items were mentioned by federation directors at a recent meeting with District Engineer L. A. Weymouth of the State Division of Highways and William R. Cobb, assistant district engineer in charge of traffic.

Weymouth promised that the highway division would consider the federation request regarding left turnouts.

"WHILE WE ARE concerned with all matters involving highway and road traffic, the Orinda overpass is considered the major long-term project," Holton explained today.

"This does not mean, for instance, that the Lafayette Freeway is relegated to minor importance, but it means that an Orinda overpass would alleviate highway congestion in Lafayette and all the way to Walnut Creek and farther."

4 Fire Calls – One Was Phoney

A blanket fire, a blaze caused by an overheated stove, an out-of-hours rubbish fire and false alarm helped keep Orinda firemen hopping in the bright spring weather this past week.

Three of the calls were received at the fire house Tuesday. A 3 p.m. alarm sent fire-fighters to the W. J. Davison residence at 5 Los Conejos, where a blanket, apparently too close to the furnace, had caught fire. Walls and door were smudged, and Assistant Fire Chief Al Winsor estimated damage at around $150.

The Allara home on Woodland Road was the next "port of call" for the fire laddies, who dashed there at 5:38 p.m. Tuesday. An overheated gas stove had set cooking food ablaze, and the flames had started to spread. The fire was quickly extinguished. Winsor estimated damage at about $200.

Another Tuesday call propelled the firemen to the Sleepy Hollow area, but the alarm proved a phony. "Probably some kids playing pranks," commented Winsor.

Last Saturday, about 5:30 p.m., an outdoor rubbish fire in the San Pablo Creek Road area near the filter plant was investigated, and was found to be "manned" by new residents unfamiliar with Orinda fire regulations.

It was explained to them that the fire department's year-'round rules allow outside burning only from sunrise to noon, and that permits from the department are required at all times.

IF YOU THINK they're discussing something in particular, you're correct. These members of the cast of Orinda Dramateurs' production of "Light Up the Sky" are hoping you'll be at Acalanes High School auditorium tonight or tomorrow night to see them "do their stuff" in the Moss Hart comedy. Curtain time is 8:15 p.m. Left to right, these actors are (seated) Lois Brodrick, Leonard Nachman, Jasper Allara and Frank Wright, and (standing) Charles Kleiser, Betty Vance, James Stanislawsky, Maudie Hammond, Hilda Probert and Fred Udall. Not in the picture are cast members Bob Anthonisen, Malcolm Loman and Don French

Dramateurs Will 'Light Up the Sky' At Acalanes Tonight and Tomorrow

Tonight and tomorrow night are your only chances to see the Orinda Dramateurs in their latest stage production, "Light Up the Sky," to be held at Acalanes High School gymnasium at 8:15.

After weeks of concentrated effort in perfecting their parts in this Moss Hart comedy, the little theater group is satisfied that it has hit material for a public which has shown approval of past productions.

Cast members include Lois Brodrick, James Stanislowsky, Betty Vance, Charles Kleiser, Hilda Probert, Fred Udall, Leonard Nachman, Jaspar Allara, Maudie Hammond, Frank Wright, Bob Anthonisen, Malcolm Lowman and Don French.

Betty Vance, who plays the part of Frances Black in the comedy, surprisingly enough has had no dramatic training or experience except for several high school programs. However, she and her husband have done some clever and original song and dance routines at the Berkeley Junior Chamber of Commerce variety shows.

Lois Brodrick, Miss Lowell in the play, was a member of the Thebians at Pennsylvania State and later was with the Coronado players for a year while living in Southern California.

Tickets for "Light Up the S may be purchased at the door tonight and tomorrow night, or from ticket chairman Wirtabel Harris.

Wayne Seroy to Report For Duty in Air Force

Wayne Seroy, Orinda Rotarian who has been associated in business with his uncel, Bill Seroy, is to report at Spokane for Air Force duty as a first lieutenant.

Hurry! Pandora Big Show'll Be Here on Tuesday!

Hurry - hurry - hurry! The Big Show is about to start!

You'll see the bearded lady, the snake charmer, monkeys, panthers, Tarzan and his mate, the fat lady, clowns and the lovely bare-back rider!

So hurry—get your ticket now for Pandora's Circus Luncheon, which will be held next Tuesday at Diablo Country Club!

Call Mrs. R. P. Rasmussen, Orinda 2874, for tickets.

As an added super-colossal, stupendous, breath-taking spectacle, ladies and gentlemen, Bob Long, 12-year-old son of Mr. and Mrs. Joseph M. Long, will perform some of his mystifying tricks of magic! Bob is well-qualified to do this, being a member of the Orinda Conjurors Association.

And stentorian-voiced Fred Udall, president of Orinda Dramateurs, will be the barker for the sideshow and the parade. Can't you just hear Fred calling right now? He's urging:

"Hurry — hurry — hurry! Get your tickets now, folks! Right this way for Pandora's big show to aid the Children's Home Society!"

Pour Foundation Of Fire House 2 In About 10 Days

Pouring of cement for the foundation of Orinda fire house No. 2 at Moraga Highway and Orchard Road is expected to be done in about a week or 10 days, a representative of the Hancock Construction Company of Lafayette stated today.

Meanwhile, the site is being laid out in preparation for pouring, he said. Stacks of lumber are on the ground.

Grading and staking of the site were completed last week.

Sleepy Hollow Sets Up Committees

Sleepy Hollow Association officers and directors will meet at the home of William Witter, 188 Lombardy Lane, Thursday evening at 7:30.

At their last meeting at the home of President Joseph De Costa, the following committee chairmen were named:

Membership, Dr. Wm. Hanford; publicity and schools, Joseph B Downs; civic affairs, Nels Hamberg: roads, Dr. James Seaman; civilian defense, Joseph Nicolet; and by-laws, Milton Lilja.

The board voted that the Association become a member of the Diablo Highway Improvement Federation, for the betterment and expansion of our highways and roads. Witter was appointed as delegate. Members will be kept informed as to the sewer progress, due to begin next month.

Secure Building Permit for Bus Shelter Here

Culmination of long - standing plans for construction of the bus shelter at the Crossroads was in sight with action taken this week by Orinda Chamber of Commerce.

President Bill Worden reported at the noon meeting of the board yesterday at Casa Orinda that he obtained a building permit Wednesday in Martinez.

Lumber lists for the building job have been duplicated and were distributed to the board of directors and other residents of the community for bids.

Arrangements have been made for hiring of a part-time manager for the chamber. The new assistant will be announced following approval of a contract by the board, according to Worden.

Hiring of the new part-time manager is the result of a recommendation made at the general membership round table discussion held March 20.

Clarence Betz, John Stoffel and Stan Allen were appointed as a nominating committee. New officers will take office in June.

Signup On for First Aid Class

Enrollment is still open for the Red Cross first aid course to start April 23 with the cooperation of the Orinda Mothers Club.

Mrs. Glenn Butler urges that those interested call her at Orinda 2515.

Two-hour sessions twice a week for six weeks, on evenings chosen by the group, will constitute the course. Certificates will be issued upon completion of the study.

Jack Fraser Will Seek Reelection

Trustee Jack Fraser of the Orinda School Board stated Wednesday night he would file for reelection either late this week or early next week.

Election day is May 18. Candidates have until April 18 to file their papers with the office of County Superintendent of Schools B. O. Wilson.

Kids Theater to Feature Western

Teatro para Ninos presents tomorrow "The Lone Star Pioneers" with Wild Bill Elliott. This is one of the Orinda Mothers Club approved movies for children given every Saturday at the Orinda School Auditorium from 1 until 3 p.m.

Red Cross Drive Score Here Seen As 'About 75%'

Orinda's Red Cross financial drive will probably hit "about 75 per cent" of the community's $8,585 quota, Mrs. J. M. Rodwell, drive chairman here, announced today.

"The people of Orinda have been very generous, and our volunteer workers have done a wonderful job," she said. "Considering the smallness of the community, I think the campaign has been a great success."

Mrs. Rodwell pointed out that this year's sum from Orinda exceeds last year's. She said that the area has been completely covered, and that "mopping-ups" and "call-backs" are expected to be wound up by tomorrow.

Even though the drive has been extended for the Mt. Diablo Red Cross Chapter to April 15, Mrs. Rodwell stated it was unlikely that it would continue here next week, in view of the thoroughness with which Orinda has been covered.

However, she urged anyone who has not contributed and who wishes to do so after this week to send or bring contributions to the chapter headquarters, 1607 Locust Street, Walnut Creek.

Report Progress On Chapel Work

Construction is progressing rapidly on the Community Church's new chapel and classroom unit in Orinda.

The chapel wall framework was raised last week and the current week is being devoted to roof construction on the classroom portion. Framing of the kitchen addition to the present church hall is to be started shortly, according to W. V. Bernard, the contractor.

The project, to be completed by fall, is being built at a cost of $75,000, some of which is still to be raised. Hundreds of contributions from all parts of Orinda are assisting in the provision being made for a religious and social center.

A grant of $5,000 and a similar amount as a loan repayable over a 10-year period was recently received from the Board of Home Missions in New York.

60 Pints Given To Blood Bank

Only 60 pints of blood were donated by Orindans when the mobile unit from the Stockton Blood Center was stationed at Orinda Community Church Thursday of last week, according to the Mt. Diablo Red Cross Chapter headquarters.

The disappointing total was believed to be partly due to illnesses, but even so it fell considerably below expectations. Those 60 pints, however, can save the lives of wounded servicemen overseas.

When the Blood Bank visited Orinda last December, 114 pints were donated.

ALL THE TYPICAL CIRCUS characters will be on hand at Pandora Chapter's "Big Top" gala spring party for the benefit of the Children's Home Society, to be held April 10 at Diablo Country Club. Pandora members who will be among the performers are the organ grinder and his monkey, caricatured by Mrs. Clarence Betz (left) and Mrs. Alex Poulsen. The little girl is Caroline Schuler.

State Expects To Start Removal Of Slide Monday

Weather permitting, actual work on clearing the many-tonned mass of earth which has sprawled across a portion of Mt. Diablo Boulevard three-quarters of a mile west of Orinda Crossroads since last December's landslide will probably be started Monday.

This was stated today by F. H. Sherry, assistant district maintenance engineer for District IV of the State Division of Highways.

"THE HYDRAUGER process, in which we have used perforated pipes, has drained the underground water, and there is no mass movement any more," Sherry explained.

Sherry said it was his guess that complete clearing of the highway would take "around 40 to 45 days."

EQUIPMENT to be used, he said, will include a "yard and three-quarters" shovel (a mechanical shovel with a capacity of one and three-quarters cubic yards), six or eight dump trucks, each with a capacity of eight cubic yards, and two or three tractors.

More Playground To Be Paved at Glorietta School

Authorization for additional paving at Glorietta School, to provide more playground space, was voted by the Orinda Union School District board Monday night.

Architect Jack Buchter was asked to draw up plans and specifications. The new paved area will be behind the two units recently completed, Superintendent Joseph L. Sheaff said.

At the same meeting, which was held at Orinda Grammar School, the board granted David Zuckerman, contractor, an extension to April 15 to complete certain outside work at both Orinda and Glorietta Schools.

THIS WORK includes painting, grading and paving. Zuckerman's contract with the school district had called for completion by March 5, but he had been delayed by inclement weather.

Enrollment at Orinda School was reported by Sheaff to be 554; at Glorietta, 429, making a total of 983.

The board approved hiring of Mrs. Helen Schaser of Richmond as a new fifth grade teacher at Orinda School for the remainder this school year, to replace Keith Hill, who has been called into the armed service.

IN CONNECTION with Public Schools Week April 23-27, it was announced that there will be open house at Glorietta School April 24, and at Orinda School April 25. All parents are invited to come to the schools on those days. Displays of students' work will be featured.

Further discussion was held on two proposed school site areas, but nothing definite developed, according to Sheaff.

REGARDING the proposed site at the west end of Washington Lane, in Sleepy Hollow, it is understood that the East Bay Municipal Utility District, owner of the land, has had it appraised, Sheaff said, but no price has yet been mentioned to the school board.

Word on price, Sheaff added, is also being awaited from the Moraga Company regarding three other possible sites — one behind the new Inland Valley subdivision, another on Moraga Highway below Moraga Del Rey and the third off El Camino Moraga.

Absurdia Kick Off Dinner Was Fun

The Kick-Off Party Monday night for Absurdia in Suburbia II got off with a big bang—ask those who were there about the red hot band that started the fun!

Then, there were group singing, a preview of the chorus line—and oh, those corny jokes! It was really fun! Coffee and cookies were served.

THERE WAS A GOOD turn-out but residents still have a chance to get in the show if they desire. Don't miss the fun, come along and our director Walter Brough will find a place for you, the more the merrier. Brough has lots of good ideas and is full of enthusiasm after sampling our Orinda talent. He says it can't help but be a wonderful show.

Ticket Chairman Mrs. Russell Gilwee announces that tickets were put on sale Tuesday.

MRS. BILL COURTRIGHT and her talent committee, Mesdames Joseph Downs, Bill Ellermeyer and Robert Lyman, did a grand job planning the party and listing all the names of people chosen for various acts and choruses.

Rehearsal dates have been set and can be checked at the bulletin board at Orinda School.

Wyatt Recuperating

Fire Chief H. E. Wyatt was reported recuperating this week from his back operation at Merritt Hospital, Oakland, and expecting to be home by this weekend.

Assistant Chief Al Winsor said he had talked with Wyatt and that the chief was "fine and hopes to be home over the weekend."

Over 500 in Adult School Spring Term

Acalanes Adult School Spring Quarter went into its second week yesterday with more than 500 "students" previously registered for classes.

According to David Stewart, adult director, several new courses are being added to the Spring program.

A NEW STANDARD Red Cross First Aid Class, starting April 17, will meet Tuesday evenings for eight weeks from 7:30 to 10 p.m. The course is being offered by popular request.

Other new classes include a Home Nursing course, which will meet starting Monday, April 16, 7:30 to 9:30, for eight weeks; a Spanish Conversation class, to resume after a brief intermission while instructor Helen Ford traveled through Mexico, which meets Mondays, 7:30 to 9:30, and a Beginning Social Dancing class meeting on Tuesdays, 7:30 to 8:30.

THE FIRST CLASS in a new series, "Let's Travel," was received with great interest last week with pictures and discussion on Hawaii. Last night a new "Let's Travel" session on Mexico, moderated by Richard Nesbitt and featuring Albert Phelps, was conducted along with presentation of two films "Acapulco, The Riviera of the Americas" and "Mexican Holiday."

Next week Ursula Skinner of the British Consulate in San Francisco will speak on England, Scotland and Wales, and show a film on the British Isles. Programs centered around the Philippines, Japan, Hong Kong, Paris and France, and other points of interest are slated to follow.

The "Let's Travel" series provides vacation information and touches on the social, political and economic characteristics of those countries discussed.

Vocational Panel To Be Given for Students at H.S.

Acalanes commercial students heard Blake Spencer of Merritt School of Business speak on job opportunities in the Bay Area in another of the series of vocational interest panels being conducted by the counseling department.

A subsequent panel, with J. E. Armstrong of Armstrong Business College, is also being planned for the students next Thursday.

Practical aspects of job potentialities, training requirements and salaries, as well as other questions raised by the students themselves, are covered in the vocational interest panels.

Bruno Walter To be Conductor

Haydn's Symphony No. 88, in G Major and Symphony No. 2, in C Minor by Gustav Mahler will feature the San Francisco Symphony Orchestra concerts in the Opera House next Thursday night, Friday afternoon and Saturday night.

These masterworks should receive magnificent performances for they will be conducted by Bruno Walter who is a world renowned specialist in the music of Haydn and Mahler.

The G Major Symphony is one of the most delightful and perfect of "Papa" Haydn's well-over one hundred symphonies. Since the day it was first premiered, this work has continued to win unrestrained praise.

Performances in America of Mahler's Second Symphony have been exceedingly few, primarily because of the orchestral resources required by the score. In addition to an enormous orchestra, this gigantic work calls for a chorus, solo soprano and contralto, pipe organ and church bells.

In the Mahler Symphony, Dorothy Warenskjold, who has appeared with the San Francisco Opera Company and is known to San Francisco symphony audiences for her fine singing in Gluck's "Orfeo" last season, will have the soprano role.

The contralto part will be entrusted to Claramae Turner who has starred in innumerable roles with the Metropolitan and San Francisco Opera Companies and has proven herself a supreme recitalist. Orchestra and soloists will have the assistance of the Stanford University Chorus, Harold C. Schmidt, director.

MOTOR VEHICLES IN U. S.

A total of 48,484,000 motor vehicles was registered in the United States at the end of 1950, according to the National Automobile Club. Of this total, 39,714,000 were passenger cars, 8,550,000 were trucks and 226,000 were motor buses.

14 Women Finish Motor Corps Class

Fourteen women of the Mt. Diablo Chapter of the Red Cross have just completed their training in the Motor Service unit and have been assigned to regular driving duty, according to Motor Service Chairman Mrs. C. Norwood Pickering.

Concluding the class were a lecture on driving safety given by Deputy Sheriff William F. Faulkner and a talk on the responsibilities of the work by Mrs. Ruth Basham of Red Cross Home Service.

New members are Mesdames Shirley Bradfield, R. A. Disney, Mary J. Andrews, France Achener, Nancy Lee Andrews, Alice Cline, Grace Findleton, Edith Scheuer, Clarabelle Barnette, Marylin Cottle, R. E. McQuary, Elizabeth Owens, Winifred Mitchell and Miss Jo Ann Hayden.

Historical Group Plans Dinner

The Contra Costa County Historical Society will be formally launched at a dinner meeting to be held at the Willows at Orinda April 30. Justice A. F. Bray of Martinez announced today.

The organization meeting, sponsored by the history and landmarks committee of the Contra Costa County Development Association, of which Justice Bray is chairman, will have as honored guest Dr. C. L. Abbott of Richmond, pioneer Contra Costa resident and county coroner for 27 years.

Joseph R. Knowland, Oakland Tribune publisher and chairman of the California Park Commission and member of the State Centennial Commission, is also a special invited guest.

In addition to Bray, those active in advancing organization of the society include Theodore H. Lassagne, William T. McCaffrey, Thomas B. Murray, M. P. Petersen and Kathrine Schutt of Lafayette, and Milton O. Nelson, Orinda.

Don Faculty, Parents Have 'Family' Dinner

Acalanes faculty members, their wives and husbands, were guests of the Acalanes Parents Club Executive Committee "school family" dinner last week.

Parent hosts for the congenial affair were Mrs. Ruth Wallis, Mrs. Charles Neuman, Roderick Iverson and Messrs. and Mesdames Kenneth Courtright, Fred Suelberger, E. E. Rowland, William Gordon, Michael Hacker, Tom Carroll and Ruben McBride.

Parents and teachers enjoyed a ham dinner complete with trimmings and an after-dinner round of party games.

TREAT SPEED WITH RESPECT

Lutheran Laymen To Meet Sunday

Members and guests of Lutheran Laymen's League, Contra Costa Zone, will meet in a rally Sunday afternoon at Grace Lutheran Church, Santa Fe and Ward Avenues, El Cerrito.

Election of 1951 officers and a business session in the afternoon will be followed by a supper at 6 p.m. with a short talk by a district representative of the national organization. Sound color movies will complete the program in the evening.

MARCH IS GONE, and with it winds and gales; April has taken over, and the good weather has begun (knock on wood!).

The last big event in March was the Junior-Senior banquet on the 30th. The Juniors really outdid themselves this year. For dinner the Seniors had either salmon loaf, ham or turkey.

After the dinner-dancing, the Senior wills were read by Jack Babcock, Senior class president.

Because Jack hadn't seen the Senior will list before, he read a few wrong; most of those few sounded better the way he read them than they were written.

The short Junior-Senior banquet got out at 9:30. Tom Hilton took over from there and held a party; many attended, including the cast.

THIS LAST SATURDAY President Truman okayed the deferring of draftees if they want to go to college.

The catch is that you either have to do well on the test the government is giving (starting in May) or else have good grades in high school.

It won't have an immediate effect on high school seniors unless you happen to be one of those unfortunate individuals who turn 18 before college begins next September.

If you are 18 when you graduate, all you can do is hope they won't take you until you have a chance to enter college and take the test.

The score that one needs in order to pass hasn't been set yet. Rumor has it that a person with an I.Q. of 120 can pass easily. (College graduates usually have an I.Q. of from 130-150.)

GETTING BACK to the Junior-Senior banquet. When the wills were read some of them didn't seem too funny.

However, certain ones in the audience laughed long and loud about each one.

You guessed it—these were the members of the Senior Will committee.

Spinsters-Dames Plan June Party

Diablo Country Club will be the setting and June 9 is the date for the Spinsters and Dames formal.

Plans on setting the theme for the party are under way, with committee members concentrating on making this another gala affair.

Mrs. Harry A. Jackson of Los Arabis Drive heads the organization.

ACALANES MEETING

School administrators and interested citizens met at Acalanes Union High School last night on the problem of providing education for handicapped children of Contra Costa County. Such children would include cerebral palsied, polio cases, hard-of-hearing and others.

Realtors to Hold Sales Conference April 26, Martinez

Final details of the 1951 Educational and Sales Conference scheduled for local realtors on Thursday, April 26, were approved at a meeting recently held in Martinez.

It is expected that 250 Realtors will attend the one-day conference to be held in Martinez. The conference, according to A.J. Johnson, will stress the problems facing the realty market today and how the Realtor can better serve the public.

"Plans have been completed for representative attendance from all communities in this area," Johnson said. "We will also bring to this conference a nationally-known figure as the featured speaker on salesmanship."

Members of Realty Boards from this area, Richmond-El Cerrito, Martinez, Concord and Eastern Contra Costa County were in attendance for the session with Jack Pontius, educational director of the California Real Estate Association, and Floyd Lowe of Palo Alto, a member of the association's Educational Committee.

A. J. "Buck" Johnson, president of the Contra Costa Real Estate Board, attended the meeting with Lawrence Wallace of Lafayette, who is regional vice president of the state association, sponsor of the program, in cooperation with local realty boards. Jack Pedder, educational chairman of the local board, also attended.

Camera Club Holds Monthly Contest

The Contra Costa Camera Club had its regular monthly print and color slide competition March 27 at the Orinda Community Church. Judge of the many fine pictures and slides submitted was Jack Jenkins of Berkeley.

In the beginners' class first place was won by John Muir with his interesting shot "Bridge Pattern." Second place went to Con Lillegard third to John Muir, and fourth and fifth to Jerry Winfrey.

In the advanced division, first place was won by C. P. McVickers with his "Dancing Girl," a girl in an unusual pose. Second place went to Guy Spencer, third and fourth to McVicker, and fifth to Jack Davis.

In the salon division, Ben Randall won first with his picture taken along the Sacramento River entitled, "Sunday Fisherman." Second went to Challis Gore and third to Randall.

In the color slide class, first place was won by Randall for his picture of a half sunken beached old red rowboat in a Martinez slough, which he called "Neglected."

Next meeting of the club will be Tuesday evening at the Orinda Community Center.

Cancer Crusade Here Helps to Save Lives

Under the direction of Mrs. W. W. Ornduff, chairman of Lafayette area, and Mrs. John L. Gompertz, chairman of Orinda area, the 1951 Cancer Crusade coin cans have been distributed in business establishments this week.

Distribution of the coin cans marks the official opening of the April campaign by the American Cancer Society to raise $14,565,000 for its programs of research, education and service in the continual battle against one of the nation's heaviest death tolls.

In calling upon the citizens of this community to support the campaign, the chairmen stressed the fact that 60 per cent of the funds collected remain with the local and state divisions for direct relief of cancer patients, with 25 per cent going to national research and the remaining 15 per cent for educational work. Under grants from the National Cancer Society, several California universities, including Stanford and the University of California, are assisting in the research program.

"ANY DOUBTS OF the value of the work being carried on by the American Cancer Society — both from the economical and humanitarian points of view—would be eliminated if everyone could see the reports which are coming in as a result of the current educational campaign in Contra Costa County," declared Mrs. Reginald H. Biggs of Walnut Creek, county commander of the Contra Costa County Branch.

"As a result of the recent showings before various organizations throughout the county of educational films on cancer," she continued, "physicians have reported numerous requests for examinations with cancer being detected in several instances. In most of the cases found thus far, detection has been early enough to assure cures."

SURPRISED BY the immediate results of the educational work carried on extensively during the month of March, R. W. Rinehart, of Walnut Creek, president of the County Branch of the American Cancer Society, reported today that the work would be continued.

"Results of the work have been amazing," he declared, "and we shall keep these educational films available for any group or organization which has not yet seen them."

Group Advocates Administrative County Officer

Making an open appeal for public interest and support, the Contra Costa County Taxpayers Association today announced it will present a series of statements to support it advocacy of a county administrative officer.

"There are many factors that favor Contra Costa County having an administrative official appointed by the supervisors," Association President Clarence Fleager declared in announcing the organization's public information program

"It is the association's firm belief that an administrative officer can save money for taxpayers and that he can advance public service. It is the association's intent to present experiences in other counties and to review local activities and interests."

The association president said that all data will be submitted to the Board of Supervisors.

Speaker Urges More Industries

"Contra Costa County is having new residents deposited daily by the bus load. But we are not getting the industries that we require to employ them. New industries with high production and employment are imperative. Industry to provide taxes and jobs is the salvation of Contra Costa. This is the staggering challenge that our county faces."

Harold S. Dodge of Richmond, assistant manager of the Niagara Sprayer and Chemical Company, presented this absorbing statement to directors of the Contra Costa County Development Association last week in urging interest and fullest support to assure retention of industrial land for industrial purposes, referrred particularly to support against a current effort of Shoemaker and Evans of Los Angeles to construct 286 homes in North Richmond in what he described as an industrial belt.

Dodge complimented the association and Manager Iona Booth on the preparation of an industrial site book with data on available industrial areas but suggested avenues must be provided to gain fullest utilization of the statistics on the county and sites data.

Commuters Association Arranges Change in P.M. Bus Time from Berkeley

John McKirahan, spokesman for the Contra Costa County Commuter's Association, stated today that arrangements have been completed for a change in the evening Greyhound bus service from Berkeley to Orinda, Lafayette and Martinez. Beginning Wednesday, the commuter's bus will leave Greyhound's Berkeley Station, Shattuck and Addison, at 5:10 instead of 5:40 p.m.

This schedule change was accomplished through the cooperation of the Public Utilities Commission at the request of the Commuter's Association in response to numerous requests from commuters who found the previous service inconvenient.

THE LARGE MAJORITY of these commuters leave their offices and the University at 4:30 and 5 p.m. and formerly paid an extra local fare via Key System service to College and Broadway to board Contra Costa County buses originating in San Francisco and Oakland rather than wait for the Berkeley bus.

It was pointed out by the association that this practice resulted in overcrowding Oakland and S.F. schedules and the new schedule will help relieve this condition as well as provide a direct service from Berkeley at a convenient time.

McKIRAHAN ALSO said that a number of the University of California professors, who had formed car pools for commuting because of the inconvenient service, will abandon these arrangements in favor of Greyhound service. The morning Berkeley schedule will not be changed as service checks show that the present schedule is most suitable for all.

Aubrey Macomber, Lafayette, president of the association, announces the regular monthly meeting of the board of directors will be held at Acalanes High School Tuesday evening.

Board Asks Additions to Measure for County Flood Control District Setup

Proposals for inclusion in a measure before the State Legislature to permit forming of a county flood control district were made Monday by the Board of Supervisors.

Mainly technical, the suggestions were offered on advice of Assistant District Attorney Wakefield Taylor. Taylor met last week with representatives of Lake, Mendocino and Santa Clara Counties.

They include details for addition to a bill introduced by Assemblyman Robert L. Condon.

Chief recommendations were that taxation powers of the district include personal as well as real property and that the bill provide for cooperation between counties where parts of a watershed involved extend across a county line into another county.

This proposed legislation does not involve formation of an emergency flood control district to permit work this summer in Central Contra Costa County.

GIBSON TO DISCUSS LOWER COURTS

All groups interested in reorganization of the county lower court system are invited to a special meeting next Wednesday in the Hall of Records, Martinez, to be attended by Chief Justice Phil Gibson of the State Supreme Court.

Gibson, who scheduled the meeting with the Board of Supervisors several weeks ago, informed board members he wanted the meeting to be open to the public.

CENSUS GIVES CONTRA COSTA 298,984

Roy V. Peel, director of the Bureau of Census in Washington, has released final population figures for all Northern California counties as per the 1950 Census—and Contra Costa population is listed at 298,984.

Lafayette? Orinda? The report states that final population figures for minor civil divisions, incorporated places and unincorporated places of 1,000 inhabitants or more in the state will be announced later.

Upswing Here in Building Permits

Quickening of tempo in the building trade was indicated with granting of permits for 24 new residences and garages in Orinda besides several other type construction permits during the week ending March 23.

Largest single application granted was that of Owner and Builder R. R. Platt, Orinda, for seven residences and garages, estimated cost $8,640, on Lots 48, 67, 59, 57, 24, 86 and 23, Moraga Meadows No. 2 and 3. Platt was also issued a single residence-garage permit for Lot 9 in the same area, estimated cost, $10,140.

Moraga Del Rey Corporation received a permit for four residences and garages in the Moraga Del Rey Tract, Lots 163, 169, 172 and 173, estimated average costs about $9,400.

Owner and Builder H. D. Malloch, Oakland, was given a permit for three residences and garages in the Moraga Del Rey tract, Lots 174, 175 and 176, at an estimate of $10,209 each.

Other applications for single residences and garages were granted as follows:

Robert Platt, owner and builder, Lot 34, Tara Road, Tara Brook tract, cost $8,640.

W. A. Patton, owner, Oakland, Lot 21, Mariposa Lane, Orinda Park Terrace, cost $11,520.

H. M. Gamble, owner, and C. E. Hanson, builder, Lot 1, Hall Drive and Irvine Drive, Rheem Highlands, cost $10,260.

M. Walthall Turner, owner and builder, Lot 302, Lombardy Lane, Sleepy Hollow, $10,218.

Arthur Morse, owner and Milton R. Vail, builder, Lot 8, Cresta Blanca and El Rio, Garden of Eden, cost $7,104.

H. McEntyre, owner and builder, Lot 51, Meadow Lane, Moraga Meadows, cost $8,976.

J. L. Barkley, owner, and Atkinson and Erwin, builder, Lot 194, Irving Court and Irving Lane, Sleepy Hollow No. 2, cost $10,500.

Frank Seat, owner and builder, Lot 152, Donna Maria Way, Moraga del Rey No. 2, $13,368.

Moraga Del Rey Corp., owner, and Dame Construction Company, builder, Lot 171, El Camino Moraga, Moraga Del Rey, cost $9,369.

Permit for a single residence was issued to Owner and Builder E. C. Browne, San Francisco, Sanborn Road and Moraga ,cost $14,088.

Boise and Soule were issued an o.k. for construction of a realty office at Orinda Crossroads and State Highway 24, cost $738.

Explain Veteran Loan Exemption

Any eligible veteran who, prior to October 12, 1950, had acquired a building lot with the intention of building his home on it, may be exempt from the credit restrictions imposed on that date for GI loan purposes, Veterans Adminstration said today.

In such cases the veteran must meet all of the following three conditions:

1. **THE LOT MUST** have been acquired, or a purchase contract executed, prior to October 12, 1950.

2. There must be evidence that, as of the above date, he actually intended to build the home. Hiring of an architect to draft plans, negotiations with a contractor to build, and similar evidence is acceptable.

3. He must certify that imposition of the restrictions would work a hardship upon him.

SUCH LOANS, however, remain subject to the milder credit curbs placed in effect July 19, 1950. These require a down payment of at least five per cent of construction cost, including value of the lot. Cost to the veteran in acquiring the lot may be considered part of the down payment.

In addition, any recognized construction cost increases above July 1, 1950, levels must be paid in cash. until April 18, 1951.

Kai Erikson on Reed Committee

Kai Erikson, son of Mr. and Mrs. E. H. Erikson of 25 Haciendas Road, has ben appointed to the Student Educational Policies Committee of Reed College, Portland.

The SEPC serves to represent the students in educational policies and acts as a liaison between the student body and the faculty. Through the committee, student suggestions and complaints are channeled.

The committee has often been responsible for modifying courses and introducing new ones to fit the needs of the students. In this manner, the SEPC serves to realize the closer harmony between the students and the administration of the Reed community. Erikson will be able to take a direct part towards achieving this end.

Erikson is a sophomore at Reed, majoring in literature. He came to the college after transfer from the University of California. Prior to his entrance in college, Erikson attended the Putney School in Vermont.

Cap Sandford Sez:

IT APPEARS THAT different kinds of deals can be made with the Government in regard to ships.

Certain favored politicians, it seems, buy and sell and fiddle with U.S. ships and make enormous profits, even almost without investment.

Yet a very fine steamship organization built by the skill, tenacity of purpose and hard work of a fine old Scotsman (Robert Dollar) can be illegally held away from the ownership and operation of its present owners even after the highest courts of this country have ruled otherwise.

Many people probably do not understand the ramifications of this transaction. I do. And it leaves me with a very bad taste in my mouth. Period.

CONDITIONS ON MANIAC'S BOULEVARD grow steadily worse.

The road is tremendously overtaxed, both in number of vehicles and, in many cases, by the weight of the loads carried over it.

And the mental caliber of a very large percentage of the drivers is practically nil. In fact, many of them, whether they know it or not, are in my estimation potential murderers.

Let us consider for a moment the persons who passes a car using the left aisle, at high speed on the right.

Some poor benighted pedestrian is endeavoring to cross, in a properly designated pedestrian way.

Now the car in the left aisle has slowed down and stopped to allow the pedestrian to pass. But he is likely to be killed like a rat by this high-speed nitwit who has not enough brains to know, or consider even, that the other car stopped to obey the law.

Maybe I am wrong, but if violators of the law were severely punished, I believe the traffic could be controlled immediately. What do you think?

WOE IS ME! I have decided to sell my horses, bridles, saddles, etc. **And if and when they are sold you will probably see me wheeling about in a wheel chair. (Pneumatic tires, chromium gadgets.)**

That is more about my weight; although there are a couple of kicks left in the geyser yet.

Au revoir, I'll be seeing ye.

Letters to the Editor

Dear Editor:

I guess my heart is still in Lafayette. I enjoy every issue of the Sun. I am interested in the progress the community is making and admire the courage of your paper in publishing truths during this past year.

I want to renew my subscription and would also like to receive a copy of your weekly Shopper, if possible.

We are a small town with quite a large rural area and the merchants would like to do some cooperative advertising to bring people to Winnemucca to shop. I have watched your various Red Tag Days, Treasure Chest Promotion, etc., with interest and feel perhaps our merchants could adapt some of these ideas to our particular needs, since they are entirely different from anything they have done here.

I hope this letter is not too late so that I will not miss the next issue of the paper.

My kindest regards to all.

Very truly yours,
GRACE DUVIVIER
Winnemucca, Nevada.

Dear Editor:

I would like to be sure that the people of Orinda know the source of the beautiful trumpet solos which echoed through our hills soon after 7 o'clock Easter Sunday morning.

The lovely notes of "Come Ye Faithful, Raise the Strain" were the salutation to the third annual Easter Sunrise Service presented by the Pilgrim Fellowship group of the Orinda Community Church and were played by Jim Hall. He stood at the foot of a 16-foot cross erected especially for this service on the hill just east of the church.

The program, arranged and produced entirely by these young people under the direction of Ray Fowler, was held in front of the church facing the cross and was of such inspirational character as to warrant a larger attendance. All high school girls and boys are welcome in this group, which meets every Sunday evening.

We hope that next year more people will avail themselves of the opportunity to join in this service.

Yours truly,
Mrs. HELEN W. DREW

Dear Editor:

On behalf of the Contra Costa County Chapter of The National Foundation For Infantile Paralysis, I wish to express our heartfelt thanks and appreciation for the wonderful publicity given us during the recent March of Dimes Drive which was so successful.

The assistance given to the Drive, and particularly the Mothers' March, through the medium of your editorials and other news articles, was invaluable, and contributed immeasurably to make this year's compaign the most successful of all.

Thanks again for helping us so much in our fight against this dread disease.

Dear Editor:

I have just received both sections of the March 16th edition of the "Sun" newspaper. It impresses me as being **exceptionally well edited** and genuinely devoted to the best interest of the community. Enclosed is my check for $3.00 for a year's subscription.

I will appreciate it also if you will send me regularly as issued the "Contra Costa Shopping News," to be addressed to me, Bellevue, Washington.

Sincerely,

Sacramento Report

Debate on Reapportionment, Fishing Give Fireworks in Surrounding Routine

By ASSEMBLYMAN ROBERT L. CONDON

The week in Sacramento was featured by a major struggle in each of the two houses.

The reapportionment bills cleared the Assembly and the Hoffman-Sutton measure, designed to curb commercial fishing in the Sacramento and San Joaquin Rivers, passed the Senate.

With these exceptions, most of the legislators' time was occupied with routine matters.

REAPPORTIONMENT: The Congressional and Assembly Reapportionment Bills were analyzed in last week's report. So far as our county is concerned, we are joined with neighboring Solano County to form a Congressional District.

The new district, joining the two fastest growing counties in the state, was bitterly opposed and has raised protests in both counties. The proposed district, according to preliminary census figures, has over 400,000 people in it.

Yet San Mateo County, with only 234,000 residents, was made an entire Congressional District.

The Assembly reapportionment bill gives the county two Assembly districts. One is composed of El Cerrito, Richmond, San Pablo, Pinole, Rodeo, Hercules and Selby. The other includes the rest of the county.

My amendment to keep Kensington in the western district was rejected 32 to 40. It was my belief that the Kensington area is not geographically connected with eastern Contra Costa and has little in common with it.

Assemblyman Waters, the author of the reapportionment bills, had a solid bloc of Republican voters, and all efforts to amend the measures were rejected.

Sixteen of the new Congressional Districts go to the southernmost six counties and only 14 are given to the 52 northern counties.

The Senate probably will go along with the Waters plan, since the Senate Elections Committee postponed indefinitely Senator Reagan's resolution to provide for a 15-15 division. Most observers believe that the Waters bills will be approved by the Senate with only minor or technical changes.

FISHING: The Hoffman-Sutton bill illustrates the increasing struggle between the sportsmen and the commercial fishermen along the Sacramento and San Joaquin Rivers.

In 1948, the people voted down Proposition No. 6, which would have entirely closed these inland waters to net fishing. In 1949, A.B. 2015, similar to the present measure, was decisively defeated in the Assembly Fish and Game Committee.

The Hoffman measure prevents the use of nets upstream on both rivers from a point near Pittsburg.

Senator Miller of Richmond led the fight against the bill, but was unable to convince his colleagues. Vote on final passage was 28 to

The measure now comes to the Assembly side, where more fireworks are expected.

It seems unfortunate that some mutually acceptable compromise cannot be worked out. The State Fish and Game Commission proposed a formula which the commercial fishermen were apparently willing to accept but which was rejected by the sportsmen.

The fate of the measure on the Assembly side cannot be predicted with any confidence.

MISCELLANY: Senator Miller's bill to provide for a bridge between Richmond and Point San Quentin was approved by a Senate committee . . . The bill to provide two additional judges to the county's Superior Courts cleared the Ways and Means and Judiciary Committees of the lower house.

Commencement Program At St. Mary's June 9

St. Mary's College will hold its 88th annual commencement exercises at the campus June 9, Brother W. Thomas, F.S.C., president of St. Mary's, announced.

His Excellency, the Most Rev. John J. Mitty, D.D., archbishop of San Francisco, will preside at the ceremony. The commencement speaker and recipients of honorary degrees will be announced later.

The commencement date this year departs from the traditional Sunday exercises held formerly.

Sorority to Hold Rummage Sale

The Alpha Epsilon Chapter of Phi Epsilon Phi sorority is sponsoring a rummage sale April 28 at Coast Counties Gas and Electric Company in Walnut Creek.

The sale will begin at 9 a.m. and continue until 4 p.m. Proceeds are to be used for welfare projects.

Anyone having clothing, household appliances, toys, jewelry, books and other usable articles no longer wanted, may call Mrs. R. M. Layne, at Orinda 2400, to have them picked up.

Local Alumnae Schedule Dance on April 7

Scheduling a benefit Country Dance for tomorrow, local alumnae of Phi Mu Sorority have joined with sister chapters throughout the nation in launching a two-year program designed to prepare for the sorority's historic turn of a century.

Phi Mu will be one of the first sororities in the nation to celebrate its 100th anniversary with a centennial convention in 1952, plans for which are under way.

Mrs. Joan Butterfield, president of the local chapter, said that proceeds from the benefit would be directed toward a Centennial Service Fund, goal of which is "to establish greater sorority service" during the second century.

The benefit, which will be held at the American Legion Hall in Walnut Creek, will be the first of a series of several benefits staged by Phi Mus throughout the year.

"Our Centennial Service Fund is the greatest project Phi Mu has undertaken as a national group in its history," Mrs. Butterfield said.

Planning Underway For Architectural Exhibit This Fall

Meeting this week to discuss advance plans for the architectural exhibit to be held as part of the Outdoor Art Show this fall are Floyd Comstock of Walnut Creek, chairman, and his committee of Harold Hansen, Walnut Creek, and Carl Kolbeck, Alamo.

Entries for this exhibit are expected from many prominent architects and will consist of groups of photographs, designs and plans and precision built models to illustrate many types of home planning and building.

Plans for all sections of the Outdoor Art Show are progressing, with members and workers looking forward to a highly successful venture. Painters, artists and craftsmen in many fields will be well represented, in both competitive displays and the popular Art-in-Action group.

A few sponsor-memberships in the Outdoor Art Shows, Inc., are still obtainable from local area chairmen, or by contacting Mrs. Milton Vail of Orinda, general campaign chairman.

School Plans Benefit Dance

Tickets are on sale for the Jack and Jill Cooperative Nursery School Benefit Dance at the Diablo Country Club April 14.

Entertainment will be presented by the popular Lions Club Quartet which includes Don Judd, Lyman Stoddard Jr., Warren Swing and Lee Russell, with accompaniment by Mrs. Janet Coop.

Prizes and gift certificates have been generously donated by local merchants. All arrangements for the dance are being handled by the parents' association of the school under the capable leadership of Mrs. F. J. Moss, general chairman, and her subchairmen, Mrs. W. M. Pugh, Mrs. E. H. Hiler and Mrs. Harold Ashton, in charge of tickets; Mrs. O. A. Samson and Mrs. Allen McKillips, publicity; Mrs. Don Daniels and Mrs. Roy Hjersman, prizes; and Mrs. William Reich, checkroom.

This dance is being given to raise funds to enlarge the school which is a leader in its field as one of California's first cooperative nursery schools, and to improve the equipment and facilities.

Tickets may be purchased at the door or from any member of the organization.

Orioles Give Therapy Center First Donation

The first money to be received by the Mount Diablo Child Therapy Center from any of its auxiliary units was recently presented by Mrs. Carl Wellington Smith, president of the Oriole Unit, Unit No. 1.

This group, one of two Orinda units, has been functioning since last November. Their first project was a Christmas party for all patients and their families. Unit No. 2 the Tanagers of Orinda, with Mrs. Donald Anderson, as president, cooperated with the Orioles in this entertainment.

DONATIONS HAVE since been received from other units. The Unit No. 3, Emily Ann Doyle Unit from Danville and San Ramon, headed by Mrs. James Ulrich, has been very active. Unit No. 4 of Lafayette, has recently been organized under the temporary chairmanship of Mrs. Shirley Marchant.

A unit in Walnut Creek is now in the process of organization. Information concerning this unit will be supplied by Miss Elizabeth Green at the Center.

A COMMITTEE TO coordinate the activities of the units with the Therapy Center has been appointed by Derald Rasmussen, president of the board. On this committee are Mesdames Thomas Edwards of Danville, George Jensen of Lafayette and Albert Wahl of Walnut Creek.

The money donated by the auxiliaries will be used for the maintenance of the Center and the purchase of equipment and materials for the physical and occupational therapy work.

Stoops to Talk At Civil Defense Meeting Tuesday

Urging general attendance, Assistant Director George Burton of the Contra Costa Civil Defense and Disaster Relief Council announced today that an important civilian defense meeting will be held next Tuesday night at Acalanes High School auditorium.

Principal speaker will be Harry Stoops, regional director for the California State Civilian Defense Office, Burton said. Stoops is in charge of the state disaster relief setup for the nine Bay Area counties, including Contra Costa.

IMPORTANCE of the warden service will form the theme of Stoops' talk, according to Burton.

"Everyone is invited and urged to come to this important gathering," Burton said. "Particularly do we want all the volunteers of the warden service present."

BURTON ADDED that it is possible that Stoops may have some definite state directives to report on at the meeting.

Chairman of the meeting will be County Warden John Garson.

DRAMATIC MOVIES of the Nazi "blitz" on England, taken during World War II and portraying British civilian defense work then, will be shown. These films were obtained from the British Embassy by Walter Chandler, district warden for Supervisorial District 3.

Don't Pack Those Woolies Away Yet

Looks like Orinda weather has suffered a relapse! Spring is still a new and wobbly young season, judging by the temperature, or lack of it, this past week.

High spot of the week March 29 through April 4 was a 71 degree reading on April 2. Don't pack your woolies too far down in the cedar chest yet. Probably convinced of the wisdom of this if you recall the chill in the air last Saturday, the mercury dropped to 30.

Church Dedicates Gifts Easter Day

St. Stephen's Episcopal Church wishes to express its gratitude to Rev. Fred Morrow and the Orinda Community Church for the use of its building Easter Sunday.

The church was beautifully decorated with Easter lilies and spring flowers, which the Altar Guild later delivered to the veterans at Oak Knoll Hospital.

A new chalice and paten, given by the first Altar Guild, and offertory plates, given by Mr. and Mrs. Paul Demeter in memory of Mrs. Demeter's father, were dedicated at the 9:30 service. A new altar book, given by Mr. and Mrs. James Buxton in memory of Mrs. Buxton's parents, was dedicated at the 11 o'clock service. There was lovely Easter music, directed by Sherwood Thatcher, choirmaster, with Mrs. George Day at the organ, and assisted by the choir composed of Mrs. Sherwood Thatcher, Stanley Stidham, Mr. and Mrs. Keene Pettengill, Mr. and Mrs. Clinton Easterbrook, Mr. and Mrs. Jerry McKinley, Mrs. R. E. Theis, Mary Theis and Miss Joyce Evans.

Rev. Schilling Baptizes Children

At 12:30 Easter Sunday Rev. Frederick Schilling officiated at a special baptism at St. Stephens for Dr. and Mrs. Paul A. Slattery's two children.

Kathleen Ann Slattery was baptized with Mrs. Byron Erdmann and Mrs. David Young as godmothers and John Slattery as godfather; and Christopher Paul Slattery with Thomas Slattery and David Young as godfathers and Mrs. Byron Erdmann as godmother.

The grandparents, Mr. and Mrs. Thomas C. Young, flew down from Oregon for the ceremony.

Baptism of Mr. and Mrs. Frederick Lincoln's two boys, Carl Tilley and Nathan Williamson; Dr. and Mrs. William Sheppard's little daughter, Dalen Gibson, and Mr. and Mrs. Sidney Smyth, Jr.'s, infant daughter, Joanne Chadbourne, was performed by Rev. Schilling at 4 o'clock.

Bridge Groups Meet at Homes

The morning bridge group of the Orinda Mother's Club met at the home of Mrs. Berton Kohler, 6 Irving Lane, March 16.

Attending were Mesdames William Witter, Bernard Wilbur, Ralph Stocker , Alan Waddell, William Mock, Donald Krotz, Francis Wyatt, Edward Kiehn, Roy Wendelbo, J. Stahle, Robert Bigler, Ben Randall, Joseph Downs, F. R. Devon, Robert Harrison, William Houston, Jack Moylan, Thomas Moore, Albert Normand, Dan Peacock, Wendel Butcher, Gordon Pray and Victor Savale.

The afternoon group met at the home of Mrs. John Parker, 52 Camino del Diablo. Attending were Mesdames Harry Peterson, Everett Ham, Arthur Barude, Roger Dexter, Owen Jones, William Courtright, John Wassen, L. Edbrooke, Wayne Littlejohn, Arthur Anderson, W. Young and John Barchfield.

GOP Women Hear Marjorie Benedict

Republican National Committeewoman Mrs. Marjorie H. E. Benedict was an honored guest at the recent meeting of the Orinda Republican Women's Club, held at the Orinda Country Club.

She spoke briefly on the subject of participation in civic affairs by Republican women.

Ardis Myhrs of Berkeley, who helped organize the Orinda group, spoke to the club on the redistricting of Contra Costa County.

A bi-partisan survey of school textbooks by a Republican-Democratic study group was reported on by Mrs. Edward de Laveaga and Mrs. Agnes Gilman.

It was announced that there will be a Young Republican "family picnic meeting" at Martinez Park on April 15. Governor Earl Warren and George Murphy of Hollywood will be the principal speakers.

Chit and Chat about Don and Donna

By MARY THIES

After rushing around school, cornering everybody who lives in Orinda, and inquiring as to what they've been doing and where they've been going, I've come to a startling conclusion. The people from Orinda just aren't doing anything.

BUT WAIT! It has just come to my attention that the people who are planning to run for student body offices for next year have already started their campaigns. These names aren't definite yet, but from early reports, some of the people from Orinda who are running are: President, Art Siler, Sven Groennings, Al Culp; Vice President, Richard Rogers, Mike Klement; Social Secretary, Jayne Kirk, Kay Goodwin; Treasurer, Sally Fleager, and, girls' yell leader, Renan Hagens. I'll give you more news, as the campaigns progress.

IN MY LAST COLUMN, I mentioned the student speaker contest sponsored by Lions International. At the Orinda meeting on March 28, Art Siler won the local contest over Janet Chantler and Bob Burkett.

Jenny Ann Ferguson Is Flower Girl at Wedding

Jenny Ann Ferguson wore a floor-length white net gown and a quaint little Dutch cap of lace, her bouquet a miniature one of red rosebuds, for her flower girl role at the wedding of Sally Maurine Andrews to William Frank Cauch last month. The ceremony was performed at St. Clement's Episcopal Church.

It was an all-white wedding except for the arrangements of red camellias carried by the bridesmaids and the red roses in Jenny Ann's bouquet.

Mrs. Downs to Model At Panhellenic Show

Mrs. Joseph B. Downs of Sleepy Hollow Lane has been chosen as the model to represent her sorority, Delta Zeta, at the annual Panhellenic Fashion Show at Fairmont Hotel next Tuesday. The fashions for the 25 matrons and 25 campus models are being arranged for by Carolyn Kelsey's, San Francisco.

They'll Thank You for These Days of Aid

Today and tomorrow are the final days for clothing to be turned in locally for the current Quaker drive for overseas needy.

After this week, clothing, shoes, soaps, sewing packets and other needed items will be on the start of their trip abroad, most of it probably destined for Korea to aid needy civilians.

Frank and Alice Smith, Lafayette co-chairmen, and Mrs. H. C. Booth, Orinda chairman, said today that community response has been encouraging, but urged people to give before the annual American Friends Service Committee drive ends. The one-week campaign started Monday.

LAFAYETTE residents and business people are asked to leave their donations, in cartons, in front of the new Edward Book Shop next to Gaston Cleaners. Collections are made twice daily.

ORINDANS are requested to bring their contributions to the clubhouse back of Orinda Community Church.

In both communities, school children are assisting in the humanitarian drive by bearing its message to their parents and by participating in the collection.

YOUNGSTERS of the Lafayette, Vallecito and Montecito Schools in Lafayette are bringing bundles from home direct to their schools Orinda and Glorietta School pupils in Orinda did that yesterday and will do it again today.

Clothing not sent direct to the schools is being brought to the regular depositories.

BEFORE the much-needed articles reach their overseas destinations, there are stops at A.F.S.C. warehouses. Even before that, there are the Quaker House in Berkeley, where buttons are sewed on and where tears are mended, and San Quentin, where shoes are repaired by inmates.

Orioles to Hear Review of Book

Orinda Orioles, instead of their regular business meeting Wednesday, will have a tea and book review at 2 at the home of Mrs. T. M. Harrer, 7 Oaks Circle.

Members of the Tanager group have been invited as well as all associate members. Orioles may also bring one guest.

The book review on "Candy for Breakfast" by Gwen Davenport, will be given by Mrs. Rosamond Moore of San Jose.

Fifty cents will be charged, not to pay Mrs. Moore for she has graciously offered to contribute her time and talent, but to help the Child Therapy Center.

Those assisting Mrs. Harrer as co-hostesses will be Mesdames Carl Wellington Smith, H. S. Wise, Calvin Hagstrom, F. M. Silva, W. R. Ahrends, Bert Moore, A. F. Scollard, and H. Pillsbury

Preceding the tea, Mrs. Harrer will entertain at small luncheon party for her sister-in-law, Mrs. Moore who will give the reading.

Pack 52 Plays W.C. Team Tomorrow

Orinda Pack 52 baseball nine will face Walnut Creek Pack 43 at Glorietta School tomorrow morning in the third game of the inter-pack league series. Cubs should be at the school not later than 9:30.

In its second game, Pack 52 defeated Walnut Creek Pack 6, 15 to 2 last Saturday morning. Orinda tallied 10 hits and Walnut Creek, 6.

With "Railroading" as its theme, the monthly meeting of the pack will be held at Orinda School next Friday night. Skits on the subject will be presented and the Strombecker Railway car kits each den has been assembling will be exhibited.

Santa Maria Club Meets at St. Mary's

Regular monthly meeting of the Santa Maria Catholic Women's Club of Orinda was held Tuesday evening at St. Mary's College.

A brief business meeting was followed by refreshments, providing a pleasant opportunity for the older residents to become better acquainted with the many new members who have recently joined the Orinda community.

All were invited to attend our Lady of Fatima devotions for peace to be held during the 8 o'clock mass at Santa Maria Church tomorrow.

MEDICAL SCHOLARSHIPS

The Bank of America-Giannini Foundation is offering a limited number of annual fellowships for medical research in California, according to L. M. Giannini, president of the Bank of America and chairman of the foundation.

Orioles Told of Needs for Center

The Oriole Chapter of the Mt. Diablo Therapy Center had an interesting and informative meeting recently at the home of Mrs. E. L. Bargones, 208 Camino Sobrante.

After a social half-hour and the serving of delicious refreshments by the hostess and the co-hostess, Mrs. Lance Barden, Miss Green of the Therapy Center told of the needs of the institution and answered many questions.

Pack 32 Defeats Alamo, 33 to 4

Orinda Pack 32 Cub Scouts beat Alamo Pack 53 in the local pack's first softball league game on March 24th at Alamo. The score was 33 to 4.

According to Coach Joe Navone, the change from the former 12-inch ball to the new nine-inch ball did not hurt his boys' skill. Navone has as his assistants R. Schreiber and Mr. Johnson.

Berkeley, Orinda Rotaries Set Joint Meet April 18

Berkeley Rotary will join with Orinda Rotary April 18 in the annual inter-city program. Visiting club members and their Rotary Anns will meet at the Willows for a dinner session and program. Guest speaker, provided by the Berkeley group, will be Douglas Young, descendant of Brigham Young, whose talk will be on Mormonism.

Musicians Take Steps to Set Up Symphony Group

Nearly 40 musicians and music lovers attended the organizational meeting for an Orinda Little Symphony group last Friday night at Orinda Community Church.

During the session, two symphonic arrangements were practiced under the direction of Dan Popovich and Oscar Busch. Excellence of the unrehearsed musical program gave new empetus to the group which is planning to form a permanent symphony organization.

Additional plans will be made at the church tonight, 7:45 p.m. All interested persons have been invited to attend.

Bradley Attends Chemical Meeting

T. F. Bradley of 50 La Cuesta is in the east this week, attending the 119th national meeting of the American Chemical Society in Boston. A nationally known authority in the field of surface coatings, he is head of the Organic and Applications Department at Shell Development Company in Emeryville.

New School Term Opens at Church

"But I'm Not Religious" is Rev. Fred Morrow's topic Sunday morning in the worship service at Orinda Community Church at 11 o'clock.

This sermon, one of a post Easter series on the consequences of the Easter faith, is designed to give stimulus and encouragement to those who think of themselves as "ordinary" men. An anthem will be sung by the churchs' mixed choir led by Margaret Popovich.

The congregation, consisting of former members of all major denominations, welcomes all who wish to attend an inclusive Protestant church. Child care is provided at the worship hour.

New residents who wish to enroll their children in Sunday School will be able to enter them now with good results, as a new quarter is beginning, according to Everett Howe, superintendent. Sessions are held in departmental divisions between 9:30 and 10:30 Sunday morning.

Lowest age is four. High school age is included and a second session for that age-group is held at 7 o'clock Sunday evening.

Park Pool List Closes April 25

Meeting at the home of Mrs George Matey Wednesday night the Board of Directors of Orinda Park Pool unanimously decided that all applications will be accepted from those who were members of Orinda Park Pool in 1950 and who live in the Orinda Union School District.

Applications must be received not later than April 25, at which time the membership will definitely be closed.

No further applications for new memberships will be considered, it was stated. Guest privileges this year will be drastically curtailed.

STORK CLUB

JAMES BENING CONLEY

James Bening Conley was born March 22 at Alta Bates Hospital to Mr. and Mrs. Joseph F. Conley of 28 El Verano. He weighed eight pounds, four ounces on arrival. James has two big brothers, Joe, 15, and John, 13.

SUZETTE LOUISE HALL

A second daughter arrived February 26 for Mr. and Mrs. George G. Hall of Sleepy Hollow Lane. She has been named Suzette Louise.

Episcopal Church Has New Location

St. Stephen's Episcopal Church of Orinda is having its first Confirmation April 15 at its new location, 55 Orinda Highway, in the Village. Church officials feel very fortunate and honored to have Bishop Karl Morgan Block come to Orinda to officiate at this function.

Services were held this past Sunday for the first time at the new location. A special vote of thanks was given to Walter Christie, Jack Theis and the Bishop's Committee for the excellent job they did in reconditioning the premises for St. Stephen's.

Regular choir rehearsals will be held here every Thursday evening at 7:30. Sherwood Thatcher, choirmaster, says it is not necessary to have a trained voice and anyone who can sing is most heartily welcome to join the choir.

It is with regret that St. Stephen's announces the departure of the Bill Maddocks for Guam. Mrs. Maddock has been most active and helpful in Women's Auxiliary work as chairman of the ways and means committee.

The Auxiliary program committee is now planning its April meeting. It is hoped that a musical may be arranged and an adequate space and good piano are needed.

Overtime and Saturday work shall be paid for at double the normal hourly rate except as noted below for Cement Finishers and Truck Drivers and work on Sundays and Holidays shall be paid for at double the normal hourly rate.

The foregoing schedule of prevailing rates of wages, and rates for overtime, Sunday and Legal Holidays, is based, unless otherwise specified, upon a working day of eight (8) hours.

Overtime and Saturday rates for Truck Drivers shall be at one and one-half (1½) times the normal hourly rate.

The first two hours overtime, after a normal eight (8) hour day, for Cement Finishers shall be at one and one-half (1½) times the normal rate and further overtime shall be at double the normal rate. Saturday work for Cement Finishers shall be at one and one-half (1½) times the normal rate for the first eight (8) hours worked and at double the normal rate for all further time worked on Saturdays.

NOTICE IS ALSO HEREBY GIVEN BIDDERS that it shall be mandatory upon the contractor to whom the contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of per diem wages, as above listed, to all laborers, workmen and mechanics employed in the execution of the contract.

Anything to the contrary in the above wage scale notwithstanding, the Contractor and all subcontractors under him shall pay all their laborers, workmen, mechanics and employees on said work a salary or wage at least equal to the prevailing salary or wage for the same quality of service rendered to private persons, firms or corporations under similar employment, within the Central Contra Costa Sanitary District.

The per diem wage rate is the hourly rate hereinabove mentioned established multiplied by the number of hours hereinabove mentioned as constituting the working day for the particular craft or type of workman.

Before submitting proposals the bidder shall be licensed in accordance with the provisions of Chapter 9 Division III of the Business and Professions Code, Chapter 37 of the Statutes of 1939, as amended, and of the State of California, which provides for the registration and licensing of contractors.

Each bidder must submit with his proposal, a statement of his financial responsibility, technical ability and experience on the form to be furnished prospective bidders.

Each bidder shall submit with his bid on the form provided, the name and address of each subcontractor including the principal suppliers of materials, and the portion of the work which each subcontractor will do. If the contractor fails to name the subcontractors in his proposal, he shall be deemed to have agreed to perform such portion of the work himself and shall not be permitted to subcontract said portion of work without previous written permission of the District Board.

The Contractor shall, in the performance of the work and improvements, conform to the labor Code of the State of California and other laws of the State of California applicable thereto, with the exception only of such variation as may be required under the special statutes pursuant to which proceedings hereunder are taken and which have not been superseded by the provisions of the Labor Code. Preference to labor shall be given only in the manner provided and required by law. Veterans and resident local labor shall be given preference by the Contractor wherever possible, if skill and working ability permit without increasing the ultimate cost of the work and improvement to the Local Improvement District, the Central Contra Costa Sanitary District and its officers.

All proposals or bids shall be accompanied by a check payable to said Central Contra Costa Sanitary District and certified by a responsible bank for an amount which shall not be less than ten (10%) per cent of the aggregate of the proposal, or by a bond for said amount and so payable, signed by the bidder and two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount and over and above all statutory exemptions. The proposal shall be made out on the form to be furnished prospective bidders, a copy of which is incorporated with the specifications.

Said proposals or bids shall be delivered to the Clerk of the District Board of the Central Contra Costa Sanitary District on or before April 12, 1951, at the hour of 8:00 p.m., of said date, at the office of said Central Contra Costa Sanitary District at 1822 Mt. Diablo Blvd., Walnut Creek, Contra Costa County, State of California, said time being not less than ten (10) days from the time of the first publication or posting of said Notice. Bids will be opened on said day and hour. The District Board reserves the right to reject any and all proposals or bids, should it deem this necessary for the public good, and also the bid of the bidder who has been delinquent or unfaithful in any former contract with the Central Contra Costa Sanitary District.

All bids shall be submitted on the understanding that all work thereunder shall be done pursuant to the Improvement Act of 1911 and that all of the applicable requirements thereof shall be made a part hereof, of the Local Improvement District proceedings, the bonds and the contract.

DATED: this 22nd day of March, 1951.

H. M. SMITTEN
Secretary
Central Contra Costa Sanitary District, County of Contra Costa, State of California.

O-84, Orinda Sun, March 30, April 6, 1951.

I'm Frank ...

and I'm feeling "mighty low." I'm so low I'm 280 feet below sea level. Just call me "Death Valley Ole" this week, because that's where I am, and I'm stuck in mud up to my ankles at "Bad Water," which is the lowest spot down here.

"Bad Water" isn't the only thing that's bad here. The sun is hot, too. Oh! my aching scalp! I sure got my face sunburned — and have I a lot of face! (I can see Earl Cappel up on Las Vegas reading this and saying to himself, "He calls that a face??")

This is a wonderful place for anyone that would like to go into the gravel business. What inventory!!!

Made friends with a little burro down here and he let me in on a little secret about Death Valley Scotty. Herkimer, that's the burro, is a distant cousin of a Norwegian talking mule named Francis.

You've probably seen Francis in the motion pictures. Herkimer says that talking to people is an old family habit, and much more fun than talking to mules or burros.

People, he says are easier to fool. Herky (I got real chummy with him, and called him by his nickname — we had so much in common) used to kick around with Scotty in the old days and, being a wise old burro, he kept his eyes open and his "hee haw" shut.

Well, one cool summer day, when it was about 130° in the shade, Scotty and Herky were "sashaying" through the desert, and Scotty got a bit thirsty. "Bad water or not," he says, "I'm going to take me a drink."

Before he got his lips to the water, his beard dissolved right off his chin. Scotty had spent all of his life looking for "pay dirt" and here, before his half-dissolved beard, was "pay water."

After filling all the bottles he could find, he took this wonderful stuff to town and sold it for paint remover. Would you believe it, you can still buy that same paint remover at Orinda Hardware — that's the hardware store with the telephone number 2585.

Of course, it comes in a can now, and it has a different name, and they make it down at the Boysen Paint Plant, instead of getting it from Death Valley, but, other than that, it's exactly the same.

If you plan to paint your garden furniture this spring with one of those 2345 luscious Boysen colors (ask for Boysen Plasolux, 'if you do — that's the best) it would be a good idea to get some of this paint remover called "El Pico" and remove all the old paint first.

It will give you a neater, smoother job, and make your furniture look brand new again. It's so easy to use. Try it.

Well, that's how I found out how Scotty made his fortune and built his fabulous castle. It sure pays to talk to burros when you get a chance. You learn a great deal that way. I wonder if Herky will be in Napa when I visit that nice man in the white suit again?

Now, here's a new "wrinkle:" Tell me, have your potato chips been soggy lately? Do your crackers bend in the middle? Are your saltines limp? Now you can cast this tremendous worry aside.

Ahem! I just happen to have a few dozen "Krispy Kans," just to solve this worrisome problem for you. "Krispy Kan" is a brand new item and really does a fine job of keeping food fresh and crisp.

The lid of the can has a transparent partition, which contains a number of blue-colored stones which absorb the moisture from the can, leaving the food fresh and dry.

When the stones have absorbed all the water they can hold, they change color from blue to red, and then you place the can with its contents in the oven until the stones again turn blue.

This allows the food to still remain fresh and dry. Don't have your guests say, "Ugh! he serves soggy potato chips with his lemonade." Get a "Krispy Kan" today at Orinda Hardware for only $1.95.

Had a new customer come in the other day, and he was quite surprised when he learned that we are open every Sunday morning until noon. I explained to him that we have always been open Sunday mornings, because we know that most of the fellows in Orinda work in Oakland or San Francisco, and the only time they have to work around their homes is on weekends.

They depend on us to be open, because, after all, Orinda Hardware is their home town hardware store and they expect us to be here for their convenience. However, it does seem that everyone waits until exactly 10:30 A.M. and 11:45 A.M. to drop in, because at those times we find it almost impossible to give everyone the service they deserve.

The rest of the time between 9 and 12 is hardly busy at all. Joe — that's the new fellow's name — said he got up early Sunday, anyway, and thought he'd shop early so he could go back to his gardening and wear himself out so he could rest up at the office during the week, so he could wear himself out again on Sunday.

Well, Orinda Hardware has a new friend, and Orinda has a fine new neighbor. Orinda and Orinda Hardware have been mighty lucky in the past year, because we both have made at lot of fine new friends. When I say this, I can truthfully say

... I'm Frank

In Spring Greenthumber's Fancy Busily Turns to Thoughts of Many Garden Jobs

By BERT WRIGHT

MUCH TO DO for the greenthumber this month:

If you have slightly suspected that planting time is at hand, you the quite right. April is here and likewise another **BUSY MONTH** for the ambitious gardened or flower lover.

There are so many jobs to be done that one does not have to say "What can I do in the garden today?" More likely — "Where shall I start?"

IF YOU ARE PLANNING a lawn this year, **PLANT NOW.** The time is ideal. Past experience tells me that April, May and June are fine month to do so.

All annuals can be set out now. This includes a long list of some of the best colormakers in existence.

Zinnias, both Giant flowered and Pom Pom, will give you an array of color all summer. Grown very easily with proper care and fertilizer, they prefer a good sunny location. An excelelnt effect is obtained by planting the tall varieties in the background and the Lilliputs or Pom-Poms in the foreground or border.

PETUNIAS should never be omitted from any garden, whether it be an estate or a window box. There is always a place for this popular annual.

For excellent cut flowers, Asters may be set out now. Try the Giant Crego type in your own choice of colors, with a border of white and purple allysum.

For height and giant yellow and orange hues, plant the Sunset Giant or the Yellow Supreme Marigolds. For medium height plant Pot O' Gold, and for dwarf borders use the French Dwarf varieties.

PANSIES, of course, are in their glory in the spring and should be set out immediately if you have not done so.

To complete the list of annuals that may be planted now would take up more space than is allotted but here are a few more.

Snapdragons for height, Chiffon Daisies for border, Phlox for border, Dwarf Unwin Dahlies for medium height, Stock for medium height, Cosmos for tall background, Delphinium for highlights and backgrounds, also Foxglove and Hollyhock for extreme height.

Perennial phlox, chrysanthemums, Transval Daisies and hardy Asters should also be planted now.

THERE IS STILL a chance to get your berryvines and grapevines in if you hurry but after this week it would not be advisabel unless they have been planted in a container.

Gladiolus plantings can still be set out this month.

Tuberous Begonias can be started in peat moss or leafmold and set out in the garden a short time after.

WATCH YOUR GARDEN closely for insects. Don't wait for the aphis to appear on your rose bushes or plants before you spray.

Your vegetable garden should be getting under way by this month. Corn, beans, squash and most all other varieties can be planted now. The earlier the better on corn.

Strawberries can still be set out this month. Planting the "Gem Everberaing" now will result in a good fall crop.

Don't forget to fertilize everything you grow. It does make a difference.

Monday Deadline For Entries in Obedience Trial

Entries for the fourth Annual Licensed Obedience Trial of the Mt. Diablo Dog Training Club, Inc., to be held April 22 at Walnut Creek City Park, are coming in at a rapid rate which far surpasses that of previous years.

Deadline for entries is next Monday. The trial is limited to 200 entries, as follows: 100 for Novice A, 30 for Novice B, 25 for Open A, 25 for Open B and 20 for utility.

Blanks may be obtained by writing to the Mt. Diablo Dog Training Club, Inc., Post Office Box 1174, Walnut Creek, California. The entry fee is $4, which includes the A.K.C. recording fee and show catalog.

Horse Association Names Officers

John Manners, Lafayette, president for the past two years of the California Reined Cow Horse Association, announced the new officers elected at the recent business meeting held by directors of the statewide organization.

President for the ensuing term is Jim O'Connell, Gilroy; vice-president is Walter Rodman, Alturas; secretary-treasurer is Carl Garrison, San Mateo.

New business discussed at the meeting included further development of the program in process to better all phases of show classes for California reined cow horses, training-grounds to develop qualified horsemen who haven't had experience in the show ring, trophies to be awarded in cow horse classes this year, publicity and advertising.

EBMUD CONTRACTS

Twelve contracts totaling more than $480,000 have been awarded this month by the Directors of the East Bay Municipal Utility District, it was announced today by Louis J. Breuner, President of the Board.

Photo Contest To Be Sponsored By Garden Show

Camera enthusiasts willing to rise early to weild shutters and tripods will have an opportunity this month to record on film beauties of "Outdoor Living," the 19th annual California Spring Garden Show in Oakland, and compete for prizes in a Garden Show photo contest.

Forrest Predmore and Walter Clark, Show directors, announced today that the Garden Show will open at 6 a.m. (two hours earlier than usual) on the mornings of Friday, April 27 (opening day); Saturday, April 28; Tuesday, May 1, and Wednesday, May 2; for the convenience of contestants.

ON THESE FOUR days, between the hours of 6 a.m. and 8 a.m. no one will be admitted without a camera. Regular admission prices will prevail during this period.

The contest will be conducted for both amateurs and professionals, the latter being classified as those who derive 50% or more of their income from photography.

THERE WILL BE two phases of the Garden Show contest, with entrants competing for prize money totaling $320. The black and white section of the contest will be open both to amateurs and professionals in one class. Black and white glossy prints in 8-inch by 10-inch sizes only will be judged. They may be made from any size negative, Show officials said, and is not required that film or prints be processed by the person who made the exposure.

In the color section of the contest, there will be awards for both miniature class and Larger-than-Miniature Class, with separate division for professionals and amateurs. Miniature transparencies are to be ready-mounts in 35-mm, Bantam, and 2¼ by 2¼ sizes. Unmounted transparencies in the larger-than-miniature class are to be 3¼ by 4¼ sizes.

ILLUSTRATOR EXAM

The Board of U. S. Civil Service Examiners for Scientists and Engineers, Navy Department, announces an examination for illustrator and scientific illustrator. Entrance salaries range from $3450 to $7600 per year.

Diamond K Sez . . .

This is the time of year that a lot of people like to renovate their lawns. So, here are a few helpful tips.

First, mow the lawn pretty close and rake off the cuttings. Follow this by raking with a heavy rake, all the thin spots. Next, using a good commercial fertilizer such as Vigoro, Gaviota or Best, fertilize the entire lawn at the rate of three or four pounds per hundred square feet.

In the bare spots, rake the fertilizer into the ground and you are ready to sow the seed. After sowing the seed, cover with a light covering of peat moss and wet down the whole lawn thoroughly.

Don't forget that for all of your garden needs and supplies, try Diamond K. We carry the most complete line of garden tools in the area.

THE RESPONSE for garden tractors this spring has been very good and we still have plenty available at this time. We would like to take this opportunity to again invite you to drop in and look them over and discuss them.

CEMENT IS ONCE again on the critical list and at this writing we are temporarily out. This is just a tip for those of you who may be contemplating patio work this summer. It might be a good idea to line up your cement ahead of time before making your plans.

REMEMBER the California Spring Garden Show opening April 27th at the Oakland Auditorium. Make your plans to attend now. You might find just the ideas to suit your landscaping or gardening plans.

That's all this week—

Bill Magrath

Dons, Alhambra, Swett in Track Meet Yesterday

The Acalanes Dons met up with the track teams of Alhambra High and John Swett on the local track yesterday as the SUN was going to press.

The opening event, the 120-yard high hurdles, was scheduled to get under way at 3:15.

On the basis of marks to date, the Dons' Varsity and Bee squads figure to end up in the winner's circle.

Alhambra's Paul Hunt is an outstanding performer in the high jump and broad jump, and could be a double winner inasmuch as his marks have been tops, particularly in the broad jump, an event which he won as a Junior in the county meet last year.

Oilers Mop Up Dons' Varsity By 13 to 2 Score

The Acalanes Varsity baseball team dropped a 13-2 decision to the powerful Richmond Oilers on the local diamond last Friday afternoon.

Inability of the Dons to gather base hits when needed, plus some outstanding fielding on Richmond's part, led to the local nine's downfall .

The Richmond nine proved potent with the bat and hit three home runs to aid their cause, in each instance with men on base.

Legion-Backed 9 Wins 19-8 Over Pleasant Hill

American Legion Post 517 had a winner last Saturday morning when its team of youngsters slugged its way to a 19-8 win over the Pleasant Hill nine in a Contra Costa League contest at the local high school grounds.

The Lafayette team put the game on ice when it collected 16 runs with a barrage of hits that knocked two opposing pitchers from the mound in the fourth inning.

Rick Johnson, burly right hander, was the winning pitcher with Andy Monsen on the receiving end.

Tomorrow the team travels to Antioch in quest of another win. Game time is set for 10 a.m.

Cinder Lads Beat Antioch, Pittsburg

The Acalanes cinder men did themselves proud Thursday afternoon of last week when they defeated Antioch and Pittsburg High Schools in a triangular meet on the Antioch track.

A cold rain and poor track conditions were anything but conducive to record-breaking performances.

THE VARSITY, paced by Darrell Crossman with 11¼ points, as a result of a first in the 100 and 220 and a spot on the winning relay team, romped home with 58 points to Antioch's 53 1/6 and Pittsburg's 31 5/6.

Antioch garnered seven first places to the Dons' five, but fell down in second, third and fourth place spots.

ON THE BASIS of Antioch's showing, it could be a real threat when the county meet rolls around in May.

In the Bee meet it was a tight squeeze, with the Dons winning out 47½ to Antioch's 46 1/12, while Pittsburg showed 37 5/12 points.

COOPER of Acalanes gathered 11¼ points with a win in the low hurdles and broad jump plus a spot on the winning relay quartet.

Turning point of the meet came when Bob Graham of Antioch was disqualified in the 1,320, having previously performed in the 330.

PARK ARBORETUM

The master plan for developing the Joseph R. Knowland State Park and Arboretum is being formulated by a special planning committee consisting of Robert Bean, director, Chicago Zoological Garden, commonly known as Brookfield Zoo; Professor T. Harper Goodspeed, director of the University of California Botanical Gardens and head of the Department of Botany; Professor H. L. Vaughn, head of the Department of Landscape Design, University of California, and William Penn Mott, Jr., chairman, superintendent of parks, Oakland.

Don Tracksters To Meet Alameda Week from Today

Acalanes' track team meets Alameda High at the local field next Friday. Events will start at 3:15 p.m.

Particular interest will be shown by fans in the dashes, where an Alameda lad by the last name of Turner performs.

He has run the hundred in 9.8, so it appears that the track mark of 10.2 is doomed to fall along with the 220 record.

Despite Turner, the Dons appear to be able to take care of themselves, and Alameda will have its hands full, particularly in the relay.

11-1 Livermore Win – but Don JV Victorious, 4-0

Varsity reserves of Acalanes lost to Livermore on the local field Tuesday afternoon when the visitors crossed the home plate 11 times while the Dons performed the difficult feat but once.

Richard Ting was on the mound for the Dons and pitched good ball the first three frames, with his downfall starting in the fourth, when three hits plus three errors resulted in six runs for Livermore.

THE DONS were able to garner but two hits, both coming off the bat of Andy Monsen.

The Dons' Junior Varsity traveled to Livermore the same day and played a bang-up game afield and at bat to carve out a 4-0 win behind the one-hit pitching of Sophomore Rick Johnson.

JOHNSON came within a blooping single of the no-hit, no-run Hall of Fame.

Tod Sorensen hit a triple to win the batting honors.

Here're Cub Ball Series Standings

With two Saturdays' games of the inter-pack Diablo District Cub Scout baseball season played in the league series of 11, standing of the teams is as follows:

	Won	Lost
Orinda Pack 52	2	0
Ignacio Valley Pack 46	2	0
Danville Pack 36	2	0
Pleasant Hill Pack 58	2	0
Orinda Pack 32	1	1
Lafayette Pack 38	1	1
Walnut Creek Pack 59	1	1
Pleasant Hill Pack 45	1	1
Moraga Pack 57	0	2
Alamo Pack 53	0	2
Walnut Creek Pack 6	0	2
Walnut Creek Pack 43	0	2

The games are played Saturday, 10 a.m.

TRACY CELEBRATION

Local Tennis Team Defeats Napa

Racquet men of Acalanes came back strong, after suffering their only defeat at the hands of Washington High School at San Francisco, to down Napa High School on their own courts 6-1 a week ago Thursday.

Bob Wallis had an uphill fight, dropping the first set 4-6, then coming back for the win 7-5 and 6-3.

Norm Parsons had things all his own way as he won as he pleased, 6-0, 6-1.

Howard Flanders dropped the first set 4-6, then came back strong 6-0, 6-1.

Bob Fowler also had things pretty much his own way, winning 6-0, 6-1.

Jerry Gray was on the short end of a 6-3, 6-0 count.

In the doubles, Parsons and Dave Bentley won, 6-0, 6-2, and Flanders and Wallis also emerged victorious, 6-3, 6-2.

Next week the tennis team travels with Coach Alex Winchester to Piedmont on Friday, April 13. The date may be a jinx for one team or the other. We'll see for which.

Younger Lads Have Regular Baseball Play Through Popular County League

By ERWIN MATTSON

THE COUNTY BASEBALL LEAGUE for younger boys is proving to be a real success with a lot of kids getting a chance to play ball.

The League consists of eight teams with Lafayette, Antioch, Avon, Pittsburg and Pleasant Hill having representative nines, while Concord has two teams entered, Rio Vista was an original entry but dropped out and was replaced by San Ramon.

The League is a compact one with no great distances to be traveled. All games are set for Saturday mornings at 10, with the time and place variable in accordance with any agreement between the two managers.

THE LAFAYETTE ENTRY is sponsored by American Legion Post 517, which has done more for young kids in baseball than any other post in the county. It sponsors a regular Legion team every year and has always provided the players with a feed and entertainment, the latest of which was held last Wednesday at the local Legion Hall.

ANOTHER LEAGUE for boys, 16-18, is in the tentative stage, to be started as soon as the high school season is over.

Such a league will provide much needed experience for players. The present high school schedule of one a week presents many problems, particularly in giving players necessary playing time for development.

Inter-squad games are a partial but not a satisfactory answer.

THE DONS WON a Bee track meet at Antioch last week when a boy by the name of Bob Graham was disqualified after winning the 1,320-yard run, having previously run and won the 330 event.

The rules specifically state that a boy may enter only one distance event. The rule is one of the California Interscholastic Association and cannot be altered by any local or league ruling.

The regulation has been violated in a number of instances this year by county schools.

ONE COUNTY PAPER has been writing articles concerning development of "iron men" and "Bob Mathias'."

The fact remains that putting a boy in more than one distance event is a flagrant violation of the rules.

Some coaches have said that the meets are only practice meets and that they are trying the athlete out in various events.

The rule was put in to protect the boy on the basis that it was too much physical effort for a boy to take part in more than one distance event.

The output is the same in a practice meet as in a county meet. The rule applies to all and any meets. Non-conformers do an injustice to the boys and cause dissension between coaches and players.

THE RULE was put in for the protection of players and coaches and as such should be abided by.

One of the important things that one should learn from sports is to abide by the rules.

If you don't like them, have them changed, but as long as the rule is there, follow it!

The rule, as I see it, is a mighty good one and prevents overwork of a growing boy.

Weymouth, Cobb Speak to Highway Group

The Board of Directors of the Diablo Highway Improvement Federation met at the home of Lloyd E. Holton on Hawthorn Drive in Lafayette March 22.

The special guests for the evening were L. A. Weymouth, district engineer, District IV, Division of Highways, State of California, Department of Pubilc Works, and William R. Cobb, assistant district engineer — traffic, District IV, Division of Highways, State of California, Department of Public Works.

HOLTON, chairman, opened the meeting by extending his thanks to Weymouth and Cobb for taking time to attend the meeting. He then gave the guests and the directors, who were represented 100 per cent, a brief resume of the purposes of the organization.

Weymouth stated that he was very much in favor of a responsible organization such as this taking up this position in the area to gain better road conditions; however, he said that all improvements or major construction work take lots of money and at this time their is a considerable lack of funds for highway construction in the state.

CONTRA COSTA COUNTY has already gone in excess of its present state budget of $5,000,000 to a figure of $8,000,000. The Southern part of the state by a law passed in 1949 receives 50 per cent of the total budget in spite of the need. Southern California provides enough in gas taxes to warrant this amount. The Los Angeles Area had a better road system to begin with and the added amounts have meant a good highway system, Weymouth said.

There is a contingency fund provided for floods and weather damage to roads. Because of the heavy winter it has been used in excess of the amount allotted. On the other hand the Los Angeles area has had a mild winter, according to Weymouth.

WEYMOUTH complimented the Federation on its excellent work and planning with the county on the secondary road system. He remarked that it was apparent that a great deal of concentrated effort and careful study and planning had gone into this alternate road system. The study made with the county would help the state in its study of the channelizing through left turnouts to accessible county roads.

Holton explained to Weymouth that the federation would never submit a request to the state that had not been intelligently considered and studied and that was felt merited priority consideration from the state. Also, that the federation was organized to work with the state to better the present highway conditions.

WEYMOUTH ALSO said he felt the federation should have a representative attend every Planning Commission meeting with a view to zoning to business on state highways — to see that satisfactory setbacks are made a part of the zoning planning so that highway congestion would not follow.

Cobb presented exhibit number one — an accident profile based on the accidents at each intersection. It gave the accidents occurring at those points. Based on the figures of the State Accident Report, the federation requested left turnouts at several intersections between Orinda and Walnut Creek, the principal locations being Charles Hill Road, Acalanes Valley Road and Upper Happy Valley Road.

WEYMOUTH STATED that the state would give consideration to the request, recommended that the federation go on written record requesting such state work.

Organizational membership list, representing about 25,000 individuals in the central portion of the county, includes:

Hilltoppers of Lafayette, Inc.; Springhill Road Improvement Association; Hidden Valley Improvement Association; Sun Valley Improvements Association, Inc.; Orinda Association, Gregory Gardens Improvement Club, Moraga Valley Community Club, Lafayette Improvement Association, Contra Costa County Commuter's Association.

Pleasant Hills Improvement Association, Orinda Chamber of Commerce, Saranap Improvement Association, Acalanes Valley Improvement Association, Lafayette Elementary Unit, California Congress of Parents and Teachers; Lafayette Chamber of Commerce, Church of Santa Maria, Orinda; Lafayette Orchards Improvement Association.

Sunset Village Improvement Club, Contra Costa Unit, Truck Owners Association; General Contractors Association of Contra Costa County, Inc.; St. Mary's College, Lafayette Women's Forum, Lafayette Homeland Association, Business and Professional Women's Club of Lafayette, Pleasant Hill Grange No. 737.

Veterans Must File for Exemption

The filing period for tax exemption on $1,000 worth of a veteran's property opened recently, and J. W. Hammond, county veterans service officer, has urged all veteran property-owners to apply without delay at the assessor's office.

"Certainly you have until the last Monday in May to file," he commented, "but a number of veterans have found in previous years that the filing period goes by faster than they realize, and they have lost out on this valuable state benefit."

The State Constitution provides the exemption for veterans whose property does not exceed $5,000 in value. It must be applied for each year, however, and if the property is within the limits of an incorporated city separate applications must be made to the city and county assessors.

Veterans applying for the exemption for the first time at their present address must bring proof of veteran status, such as a copy of their discharge certificate, Hammond said.

Veterans who cannot take time from their business to call at the assessor's office may have their wives file their application in their behalf.

Mesdames Frank Hagarty, Don Parle White, Wallace Greenlaw, Edwin Nelson, Victor Bergeron, Frank Coakley, Charles Kolb, Lloyd Burke, Bruce Presher, Robert Valdretta and Misses Florita French and Connie Lou Dunn were models. Mrs. John P. French is branch chairman.

LEGAL NOTICE

NOTICE OF THE PROPOSED ANNEXATION OF TERRITORY TO THE ORINDA COUNTY FIRE PROTECTION DISTRICT IN CONTRA COSTA COUNTY

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA

In the Matter of the Annexation of Certain Territory belonging to the East Bay Municipal Utility District to the Orinda County Fire Protection District.

RESOLUTION OF INTENTION TO ANNEX

WHEREAS, the hereinafter described property has been withdrawn from the Eastern Contra Costa County Fire Protection District; and

WHEREAS, it is the opinion of this Board of Supervisors that it would be advantageous to the Orinda County Fire Protection District and to the hereinafter described territory to annex such territory to the Orinda County Fire Protection District,

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors hereby fixes ten o'clock a.m. on the 7th day of May in the Chambers of the Board of Supervisors, Hall of Records, Martinez, California, as the time and place of hearing of the proposed annexation of the hereinafter described territory.

BE IT FURTHER RESOLVED that the Clerk is hereby directed to publish notices of said time and place of hearing for two weeks in the "Orinda Sun," a newspaper circulated in the territory which is proposed to be annexed, in which the Board deems most likely to give notice to the inhabitants of said territory.

That at said hearing, the Board shall hear any person objecting to the annexation or inclusion of any portion of the territory within the District.

The property proposed to be annexed is described as follows:

Commencing at the southwest corner of the Lafayette Fire District Boundary Line as constituted December 1, 1949, being also a point on the Mount Diablo Base Line; thence northerly and northwesterly along said Lafayette Fire District Boundary Line to the south line of the State Highway between Oakland and Lafayette, being also a point on the Orinda Fire District Boundary Line as constituted December 1, 1949; thence southwesterly along said Orinda Fire District Boundary Line to the Mount Diablo Base Line; thence easterly to the point of commencement.

Passed and adopted by the Board of Supervisors of the County of Contra Costa, this 2nd day of April, 1951, by the following vote, to wit:

AYES: Supervisors—I. T. Goyak, H. L. Cummings, Ray S. Taylor, W. G. Buchanan, J. Frederickson.

NOES: Supervisors—None.

ABSENT: Supervisors—None.

I HEREBY CERTIFY that the foregoing resolution was duly and regularly introduced, passed and adopted by the Board of Supervisors of the County of Contra Costa at a meeting of said Board held on the 2nd day of April, 1951.

W. T. PAASCH
County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Contra Costa, State of California,
By: M. A. SMITH,
(Seal) Deputy Clerk.

Is Square Dance Fun? Ask 100! . . .

Close to a hundred Orindans and guests enjoyed the square dance Friday night, March 16. A delicious dinner at Orinda School and an evening of dancing to the calls of Frank Olsen spell success for any evening.

Among the no-host cocktail parties preceding the dinner was the one given by the Gordon Prays of Sleepy Hollow Lane. The guests invited were Messrs. and Mesdames Berton Kohler, Alex Morris, Miles Sutliff, Godfrey Williams, C. E. Cantrill, William Witter, William O'Reilly, Frank Coffey, William Mack, Joseph Downs, Zach Montgomery, Ross Winans, Nels Hamberg, Jack Rose, Boone Robinson, Robert Bowles, Robert Walker, Carl Sawyer, Harl Tyler, Charles Gibbs, Robert Boyle, Francis Wyatt, Robert Dashiell, Bill Le Tarte and Robert Peterson, Mrs. William Tyrrell, Mrs. Jean Parker, Dr. and Mrs. James Seaman and Dr. and Mrs. Rolland Brown.

Weimar Women Give Bridge Party

"Women-for-Weimar" held a successful benefit bridge party last Friday at the home of Mrs. John Parker, Camino Del Diablo, with forty guests attending.

Mrs. Clarise Helm, owner of Woolsey's Country Togs, donated a colorful peasant skirt as a prize. Other prizes were given by Mesdames Andy Blalock, George Matey and John Parker.

All of the money will be used to buy various items for the children at Weimar: sixteen millimeter films and phonograph records for the entertainment of bed-ridden patients.

Hostesses were Mesdames Parker, Matey, Robert Diehl, Zach Montgomery, Ernest Spiegl, George Klement, Lloyd Farrar, George Vurek and Robert Winters.

National brands at regular prices — here at home.

Mrs. St. Hill Serves As Benefit Chairman

Mrs. T. N. St. Hill is in charge of luncheon arrangements for the Mothers' Club benefit to be held at Kappa Kappa Gamma chapter house in Berkeley next Thursday.

By means of the luncheon and fashion showing, the group will raise funds for the year's project, keeping up the gardens at the chapter house.

Mrs. James Corley, president, has appointed Mrs. Harold A. Morse general chairman for the day, with Mrs. Gerald Marsh as co-chairman.

St. Leo Fashion Show on Tuesday

St. Leo's annual spring luncheon and fashion show next Tuesday, 12:30 p.m., will portray contrasts between the "roaring twenties" and today.

The "transformed" school auditorium will be the setting for "Model Mothers" as they model fashions of the two periods.

After showing of authentic creations of the twenties, a preview of 1951 summer fashions will be given, according to Mrs. Edward Morrill, chairman of the event. These, being furnished by Van Dyke's of Oakland, will be modeled by Mesdames John L. McDonnell, Theodore G. Wurm, Robert W. Hogan, Charles W. Libbey, Salvatore Cierei, J. G. Williams, John Hennessy, Joseph P. Kelleher and Walter Gregory.

Reservations may be obtained from Mrs. Robert Fratus, Twinoaks 3-5250.

Fowlers Have Guest

Mr. and Mrs. E. J. Fowler are enjoying the two weeks visit of Mrs. J. Boose of Chicago. They are showing her some of the pretty gardens of Orinda as well as scenes in San Francisco. Their friendship dates from the time they were Julia and Jane in a school in Nebraska.

Langley Sends SOS

Langley Brookes would appreciate callers and letters. She is laid up with a broken leg for six weeks. This happened the day before Easter.

Patricia Hannan, Dick Telfer Engaged

Engagement of their daughter, Patricia, to Richard (Dick) Telfer, son of Mrs. Elizabeth Telfer and Mr. Warren Telfer of San Jose, has been announced by Mr. and Mrs. James T. Hannan of Las Vegas Road.

The news was told Saturday at a luncheon affair held at Hotel Claremont.

Patricia is a graduate of Anna Head and a former student of Santa Rosa Junior College which Dick also attended.

The young couple are planning an October wedding.

Mrs. Eugene Jones Back from Southland

Mrs. Eugene Jones of Orchard Court has just enjoyed a motor trip to San Bernardino with her two children, Katie and Chuck. She says the weather was wonderful and that the Spring is the best time to enjoy the Southland.

Mrs. Thomas Rodgers' Father Visiting Her

B. Kalker, who came here from New York to spend Easter with his daughter, Mrs. Thomas Rodgers of 27 La Vuelta, spent all last week here.

Hights Enjoy Trip

A drive into the mountains over the Easter weekend is what Mr. and Mrs. Frank Hight found invigorating and yet relaxing after weeks of tiring responsibilities and some sickness.

Their trip took them to Sonora, Coulterville, Mariposa and Merced. The woods everywhere looked unusually green and fresh due to the late rains and wild flowers were blooming in profusion. From the mountains they drove to Monterey and Carmel.

Orindan Is Best Man

Frank Farnsworth Lind Jr., had his friend, Rich Weyenetto of Orinda serve him as best man at his marriage to Alice Timm recently.

Cal Hagstrom Is Best Man for His Brother

Calvin Hagstrom of Valley View Drive was best man for his brother, Warren Anton, at the latter's recent marriage to Patricia Lee Harris at Trinity Episcopal Church in San Jose.

The bride is the daughter of Mr. and Mrs. Loren Harris of San Jose. The groom and his best man are sons of Mrs. Agnes Hagstrom of Piedmont and Emil Hagstrom of Diablo.

Several hundred guests attended the wedding reception at San Jose Country Club after the ceremony. After a honeymoon in Carmel, the newlyweds have established their home in San Jose.
